# MIKE JOSEPH'S GAME PROTECTION TRAINING

Would you like all of your Surveillance and Table Games personnel to get current with the following topics that maybe costing your casino a fortune?

- How to use the roulette reader board – from a game protection point of view.
- How to detect sleight-of-hand moves that cannot be seen on surveillance fixed cameras.
- How to test playing cards for card markings coming directly from the factories.
- How to recite all 300 + perfect basic strategy answers in 30 seconds.
- How gaming tools used in operating our table games are being used as cheating devices.
- How to identify red flag warnings that indicate your casino is about to be scammed.
- How to identify unethical dealers who are working in collusion with players.
- How to identify the dealers / supervisors who are no longer paying attention to dealer callouts.
- How to identify the many dealers who seldom follow dealing procedures.
- How to calculate roulette payoffs in 5 seconds.
- How to calculate crap table payoffs in 10 seconds.

## REASONS TO ATTEND

- Attendees will be shown how to bring back **“Uniformity and Consistency”** to all table games dealing procedures so surveillance can do the job they are being paid to do.
- Attendees will be shown **“30 Specific Ways”** how to identify Table Game Scams live that are in progress live on the various table games.
- Attendees will be shown how they can effectively **“Train Their Employees”** in job related topics on a daily basis, without having it take away from the employee’s work time.
- Attendees attending this program from surveillance will learn how to **“Measure in Dollars”** the amount they are saving their property on a day to day basis.
- Attendees will be shown the top scams in the following table games – **“blackjack – craps – and roulette.”**
